SOCIETY OF SKELETAL RADIOLOGY FIRST ANNUAL GOLF TOURNAMENT

If you are going to be in Scottsdale this February and if you play golf.... bring your clubs.

I am willing to organize an outing. I think it would be great fun; informal; beautiful courses. Players of all skill levels welcome. (I'm a beginner). Skip Vogler will give free lessons !!

Just fill out the bottom and return to me. I'll do all the work setting it up.

Prizes.....no; only bragging rights !!

We will probably have to leave the meeting at noon on the day we play (probably Friday)

Remember, the greens fees are not cheap at the nice courses. It will probably cost about \$75.00 to play on a nice 18 hole course.

Cut here
