A motion was made, seconded and unanimously passed to approve the minutes of the previous meeting at Marco Beach, Florida on January 25, 1990, as earlier circulated to the membership.

The treasurer's report was presented by Dr. Guilford showing a balance of \$2114.30 (February 1, 1991) and approved unanimously by the membership.

Dr. Guilford reported that all of the necessary steps for our name change have been completed by our attorney. Also, we have completed the design and printing of new letterhead and membership certificates reflecting the change. New certificates are distributed to those members in attendance. There was a general discussion of the format of the next meeting. It is generally decided that the group preference is for a four day meeting to be held in the late February-early March time frame. The extra day will be added to the start of the meeting to allow ample time for the discussion of papers for our larger group.

The meeting location and dates have now been fixed for 1992. The 1992 meeting of the society will begin at 8:30 a.m. on the morning of Wednesday, February 19, 1992, concluding at 1:00 p.m. on Saturday, February 22, 1992. The site will be in Phoenix, Arizona at The Pointe at Tapatio Cliffs. This appears to be even nicer than our site at Mountain Shadows yet the room rates will be identical with this year. Make your plans to attend now and bring the family.

The executive committee discussed a number of changes in the bylaws which are necessary. These will be prepared by the committee and submitted to the membership for approval. Our next meeting will require an election of officers pursuant to the bylaws.

A discussion was held regarding an increase in dues to allow more flexibility in meeting planning. A motion was made, seconded and unanimously approved to raise annual dues to \$50.

Financial support for the annual meeting in Scottsdale was graciously provided by The Orthopaedic Hospital of Charlotte, Mallinckrodt and Squibb.

There being no further business, the meeting was adjourned at 9:30 a.m.

Respectfully submitted,

W. Bonner Guilford, M.D.
Secretary/Treasurer
